

**DON'T
IGNORE
DIABETES**

Speak Out About Diabetes

Increase your knowledge of how you can prevent type 2 diabetes by booking a Diabetes WA Speak Out presentation. These interactive group presentations include information on:

- Diabetes and why it is serious.
- Risk factors associated with type 2 diabetes.
- How to prevent type 2 diabetes.

Speak Out presenters are available to come to your workplace or community group at no charge. Available in the metropolitan area and some country centres.

Presentations can be requested for 45 minutes to one hour. Bookings are required at least six weeks prior to requested date.

Note: Speak Out presentations do not cover management of diabetes and are not suitable for the frail aged.

Did you know?

1.7 million Australians have diabetes. **Half** don't know they have it.
